

The Georgia Living Store

The Georgia Living Store is a consignment shop for our exhibitors (ages 18 and above) in the Georgia Living Program.

REQUIREMENTS: In order to sell items in the Store, you must be a 2017 participant in one or more of the Georgia Living competitions at the Fair that arrive on or prior to September 23 (last delivery date for store inventory). You must have a confirmed entry for your items to be accepted at the store.

TO SIGN UP: call or email by September 5, 2017. You will be issued a control number and receive a consignment agreement. As soon as you have your inventory list complete, **send a copy to us** so that we will have an idea about what's coming to the Fair.

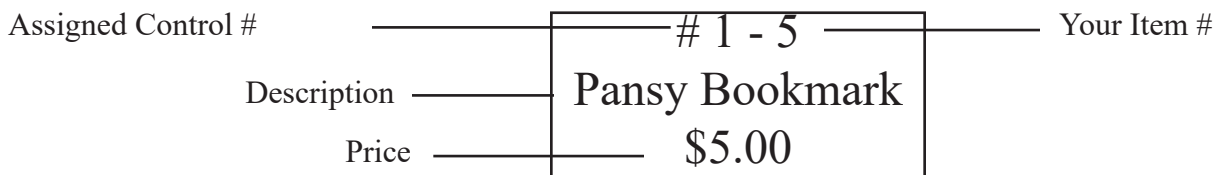

INVENTORY: We hope to stock the Store with a wide variety of *quality* items that have been **hand-made** (a must!) by our talented exhibitors and are representative of the Georgia Living Competitions... woodcarving, pottery, photos, decorative arts, hobby crafts, needle arts, crochet, quilts and quilted items - just to name a few. We are not able to sell food items.

We will be selling for 11 days, so we will need a good number of items. You should plan to consign enough inventory to cover the expense of including your items in the store. If we sell out and need more inventory, we will call you to restock. There are no minimum limits. However, space is limited and we will not be able to accept hanging pieces larger than 24" x 24" or items that are unusually large, with the exception of textiles that may be folded. **We will not knowingly accept items that are soiled, aged, made from kits or items with strong odors (i.e., items that smell musty, or smell of pets, smoke, etc.). We reserve the right to reject items that may be objectionable or that are not of competition quality.**

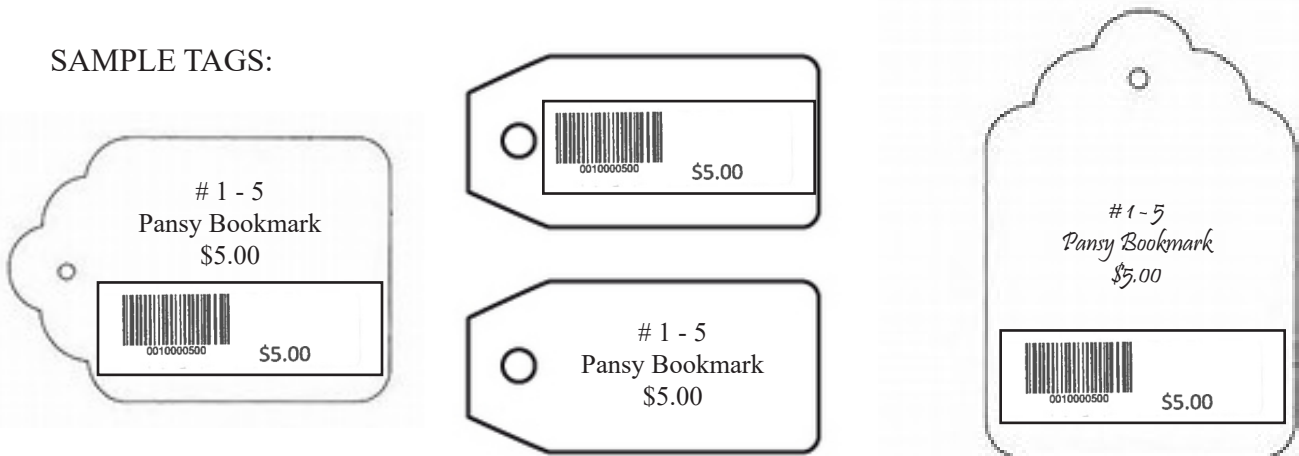

All items must be tagged and inventoried prior to arrival. Items not tagged and inventoried will not be accepted.

Each item must be tagged with your assigned control number, your own inventory control number, description and price. Tags should be large enough to accommodate this information along with a 1/2" x 1 3/4" barcode label and must be clearly legible - neatly printed by hand or machine. Barcode may be placed on the front or the back of the tag.

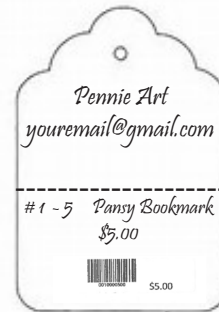

EXAMPLE OF TAG INFORMATION:

SAMPLE TAGS:

The inventory numbers on your tags must match the inventory list turned in to the store with your items. You must use removable tags. Tags are removed at point of sale for inventory control. If you wish the buyer to be able to contact you after the sale, you may use two part (perforated) tags with your contact information on the top part of the tag.

For 2017, barcodes will be generated and provided by the fair. Barcodes consist of a 10-digit number represented by your assigned vendor number (first 3 digits) and your price point (last 2-5 digits) with zeroes used as place holders in the middle. For example, the sample barcode used in this document is 0010000500. "001" would be the 3-digit vendor number for vendor 1. "500" at the end represents the \$5.00 price point. The four zeroes in the middle act as placeholders to create the 10-digit code.

Please use the provided inventory form or a spreadsheet with the same information and headings to list the items you are consigning. Your name, vendor number, and page number must be on every sheet. Please group similar items and items with the same price point together on your inventory sheet(s).

Please bring your items in a suitable storage container (with a lid) that can be stacked. Fragile pieces should be wrapped for protection. Label all pieces of containers with your name, vendor number, and contact number. Containers will be stacked and stored for approximately a week before we have access to Heritage Hall to set up the store.

COMMISSION: The Fair will retain 25% of sales to cover costs of operating the Store.

PAYMENT: Accounts will be settled after the Fair is over. Consignees will receive 75% of the pre-tax total of items sold. Checks will be processed by Nov. 30, 2017.

VOLUNTEER OPPORTUNITY: Consignors may sign up to volunteer to work shifts in the store during the Fair when they drop off their items.

RECEIVING OF CONSIGNED ITEMS: Consigned items may be dropped off with your entries during regular receiving times. **Last delivery date for store inventory will be September 23.** When delivering consignment items be sure to bring your claim tag from your entry. Restocking during the Fair will be by appointment only.

PICKUP DAYS: Tuesday, October 17, 12:00 p.m. - 8:00 p.m. and Wednesday, October 18, 10:00 a.m. - 4:00 p.m. **Items not picked up will be disposed of.**

STORE HOURS: Regular building hours 9 a.m. - 10 p.m. daily, except Sneak a Peek (3 p.m. - 10 p.m.)

If you have questions, please contact us by email (contests@gnfa.com), or call 478-988-6555.
