2. There are many different Divisions in the Sewing Department. Divisions are based on skill level, allowing a broad spectrum of participation while providing a fair system for judging purposes.

The **Novice Division** is intended for those new to the art and at the very basic beginner level.

The **Intermediate Division** is the average skill level where most exhibitors will enter.

Judges may also move items up in skill level if quality of the work merits. Management reserves the right to move work to a higher skill level if merited.

4. All items in this **Department** must be entered at the same **Skill Level**.

5. All articles in Sewing must have been handmade and completed **by the exhibitor** within the last five years.

6. Exhibitors may enter as many classes as they wish, but **not more than two entries per class** (unless otherwise listed), and each entry must exhibit a different style, design, or purpose.
