

## The Georgia Living Store

The Georgia Living Store is a consignment shop for our exhibitors (ages 18 and above) in the Georgia Living Program.

**REQUIREMENTS:** In order to sell items in the Store, you must be a 2016 participant in one or more of the Georgia Living competitions at the Fair that arrive on or prior to September 26 (last delivery date for store inventory). You must have a confirmed entry for your items to be accepted at the store.

**TO SIGN UP: call or email by August 30, 2016.** You will be issued a control number and receive a consignment agreement. As soon as you have your inventory list complete, **send a copy to us** so that we will have an idea about what's coming in September.

**INVENTORY:** We hope to stock the Store with a wide variety of **quality** items that have been **hand-made** (a must!) by our talented exhibitors and are representative of the Georgia Living Competitions... woodcarving, pottery, photos, decorative arts, hobby crafts, needle arts, crochet, quilts and quilted items - just to name a few. There are some exceptions, however. We are not able to sell food items or canned goods. Space is limited; therefore, we will not be able to accept framed fine art or other items that are unusually large. Additionally, **we will not knowingly accept items that are soiled, aged, made from kits or items with strong odors (i.e., items that smell musty, or smell of pets, smoke, etc.). We reserve the right to reject items that may be objectionable or that are not of competition quality.**

**You must tag each of your items with your assigned control number, your own inventory control number, description and price** (example is shown at top of inventory list). These numbers **must match** your inventory list which will be turned in to the Store with your items. Please use the provided inventory form. You may request an inventory control sheet to be mailed, or print one online at <http://www.georgianationalfair.com/home-arts-fine-arts/> (found in the Information section). You must use removable tags. Tags are removed at point of sale for inventory control. Tags must measure at least .75 inches by .75 inches and be clearly legible - neatly printed by hand or machine. Our space is limited, but we will be selling for 11 days, so we will need a good number of items. Plan to bring up to 30 items; if we sell out and need more from you, we will call you to restock. There are no minimum limits. However, you should plan to consign enough inventory to cover the expense of including your items in the store. **Your items must be tagged and inventoried before you bring them.** Items not tagged and inventoried will not be accepted. There will not be room to tag them at receiving. Please bring your items in a suitable storage container with a lid that can be stacked; label all pieces of containers with your name and contact number. These containers will have to be stacked and stored for approximately a week before we have access to the Heritage Hall to set up the store.

**COMMISSION:** The Fair will retain 25% of sales to cover costs of operating the Store.

**PAYMENT:** Accounts will be settled after the Fair is over. Checks will be processed by Nov. 30, 2016.

**VOLUNTEER OPPORTUNITY:** Consignors may sign up to volunteer to work shifts in the store during the Fair when they drop off their items.

**RECEIVING OF CONSIGNED ITEMS:** Consigned items may be dropped off with your entries during regular receiving times. **Last delivery date for store inventory will be September 24.** When delivering consignment items be sure to bring your claim tag from your entry. Restocking during the Fair will be by appointment only.

**PICKUP DAYS:** Tuesday, October 18, 12:00 p.m. - 8:00 p.m. and Wednesday, October 19, 10:00 a.m. - 4:00 p.m.

**STORE HOURS: Regular building hours 9 a.m. - 10 p.m. daily, except Sneak a Peek (3 p.m. - 10 p.m.)**
